

*November month's newsletter*

*'The Diwali celebration' brightened the month of november bringing in joy and energy in the young minds of our budding artists.*

Every celebration requires a preparation and passion which is so evident in our environment. Our child and adult artists came together to decorate our school with the beautiful rangoli art.

*It's wonderful to watch the pre-primary children engrossed in painting diyas to lit their school with glowing lights. The responsibility of making their school look beautiful rests on their shoulders too.*

3rd November:

*The musical program by our children and the inspiring words of wisdom from our Sreela Ma'am makes every occasion a special one.*

*One of our ACCEL 2 student Jayanth, was appreciated for his beautiful piece of art-work on the theme 'Dussehra'. He won the first prize for his drawing which is a proud moment for ACCEL.*

*The pre-primary celebrated Diwali with proper ritual of worshipping goddess Lakshmi, Children in their beautiful and colourful traditional attire brought the charm and happiness of the festival.*

*Home-made Diwali special food was brought to school to be shared among the friends. Knowing the culture of each other through food and festivals is the best learning that happens in our environment and gets etched in the young minds forever.*

*Diwali craft is a visual treat for everyone of us.  
Children expressed their understanding of Diwali through craft work and it accentuates their Art-gallery so well.*

*6th November:*

*Mrs. Indira Vasu and her husband who are veterans in the field of montessori teaching and training had visited our school on the 6th. They observed our children both pre-primary and elementary engaged in their day to day lessons and activities.*

*They were very impressed to observe the blend of mainstream academics*

*with music and art and the manner in which it is imparted to our children.*

13th November

*The Midas touch', Anil sir giving a perfect look for the musical show, a day before the Children's Day.*

*Rangoli art all over the place was so welcoming and invigorating.*

14th November:

Pre-primary

- The morning circle time began in the Pre-primary environment with the story of Jawahar Lal Nehru.

- *They all had a wonderful activity time of gymnastics work- out and singing session with Vivienne Ma'am.*

- *Children's Day special food was so much enjoyable and exciting. It's so amazing to watch children enjoying so much and understanding the essence of the day.*
- *The celebration ends with another story session 'Fish is a Fish' by Padma Ma'am .*

## *Elementary*

- *The evening of the 14th November was the 'practised and perfected delivery of music' by the ACCEL1 students. The individual as well as group performances were done with such ease and perfection that the audience was enthralled till the last bit.*

*The whole environment lit with Diyas lit all over the place gave a mystic and ecstatic look to ACCEL.*

*22nd November:*

*Elementary children visited a horticulture to study about a wide*

*variety of plants displayed there as a ritual of their yearly exhibition. They explored their way to gardening, came across eco-friendly pots to grow herbs and flowers.*

*25th November:*

*Elementary children are being helped by Tripti Ma'am in organising the written assignments of three months on various activities they worked on in their environment.*

*Children are sensitised and helped to become better organisers in future.*

*25th November*

- *'The story of life'*

*Ranjna Ma'am captures the undivided attention of her children by narrating the most interesting story, 'The story of life' which has always been a topic for research work and discussion. The intriguing and exploring minds of children materialises into beautiful and informative presentations.*

- *'Exploring the Animal kingdom'*

*Children in the Pre-primary were busy sorting the vertebrates and invertebrates picture cards.*

*The life cycle of a butterfly is a very beautiful journey to observe. Children were given the opportunity to experience it in their environment.*

*One of our sincere parents arranged for some fish for the story session 'Fish is a Fish'. Such a kind of support from the parents make the learning even more interesting and fun.*

*28th November*

- *Art session of Pre-primary with Anil Sir*

*Children were at their best in expressing themselves when it came to drawing with Anil Sir.*

*'An exciting picnic and trek to Nandi hills'*

*It was an adventurous and challenging trek for our children, they had a lovely hands-on experience of trekking for the first time. It was guided and well handled by Meiappan Sir, who had made several such trips with children of similar age group in the past.*

*Shonali Ma'am and Ranjna Ma'am and Dr. Shubra, as an attending doctor also accompanied our children to the trip.*

*Children enjoyed the trip thoroughly and are enthusiastic about another trip to come by.*
